Fire School Training Reimbursement Application

PROGRAM RULES AND REQUIREMENTS: In the space below, please provide all requested information. This rebate is designed to reimburse Missouri propane companies for propane supplied during MU Fire School Training. This program is funded solely by Missouri PERC assessments and may be modified or discontinued at any time. To ensure timely processing of requests, rebate applications must be postmarked no later than **six months** after the date of the fire school training. Companies must submit a copy of the meter ticket showing the amount of propane used and must also submit the cost of the product FOB dealer's plant.
